Overnight monitoring at Herlwyn Recreation Ground, West Ruislip

HS2-SCS-26-2483

Location

Herlwyn Recreation Ground, West Ruislip

Duration

Overnight monitoring on 5 October and 14 October, working hours 11pm to 6am

What we are doing

There will be vibration testing inside the tunnel to inform the track design of the new railway and we'll be monitoring on the surface of the recreation ground at this time.

What to expect

You will see colleagues working at this location each night. The works will not be noisy. We'll use lighting during our works. We'll make sure lighting is facing away from properties. We'll keep noise levels to a minimum to avoid disturbing residents.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

Additional information

We will carry out overnight monitoring to inform the track design of the new railway on 5 and 14 October at the recreation ground from 11pm to 6am. We will install monitoring equipment the evening before and will remove the equipment after we complete our overnight monitoring.

Where we will be working

Please see the map below showing the location of our works on Herlwyn Recreation Ground, West Ruislip.

Please contact us if you'd like a free copy of this document in large print, Braille, audio or 'easy read' format. You can also contact us for help and information in a different language.

Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 Helpdesk team. For more information, visit: www.hs2.org.uk/how-to-complain

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.

For more information visit: www.hs2.org.uk/independent-commissioner
