

Notice of traffic management, A41 and Blackgrove Road, Quainton, Buckinghamshire

HS2-EKFB-26-2533

Location

A41 and Blackgrove Road, Quainton, Buckinghamshire

Duration

Wednesday 16 September 2026,
8.00pm-5.00am

What we are doing

Short-term traffic management will be required to facilitate the safe use of a mobile elevated working platform, MEWP, for the removal of temporary coverings and markings from road signs. Following the completion of the Station Road realignment, the signs now need to display updated directional information to the Buckinghamshire Railway Centre.

What to expect

Multi-phase traffic lights will consecutively be installed at each of the five locations shown on the map overleaf, for a short duration whilst signage is cleaned. Expect short delays.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

Where we will be working

The map below shows where short-term traffic management will be in place in five different locations along A41 and Blackgrove Road.

Please contact us if you'd like a free copy of this document in large print, Braille, audio or 'easy read' format. You can also contact us for help and information in a different language.

Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 Helpdesk team. For more information, visit: www.hs2.org.uk/how-to-complain

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.

For more information visit: www.hs2.org.uk/independent-commissioner
