

Overnight road closure, vegetation removal and site works, Whielden Street, Amersham, Bucks

HS2-ALIGN-26-2659

Location

Amersham ventilation shaft, Buckinghamshire

Duration

Night closure of Whielden Street from 8pm to 5am every night from Wednesday 4 November to Thursday 12 November 2026, to be followed by daytime working within the compound until April 2027.

What we are doing

We need to close Whielden Street overnight whilst we carry out vegetation removal at the Amersham ventilation shaft site compound. This is to enable the installation of fire water tanks, foul water drainage systems, and utility connections in the land where the temporary car park is situated.

What to expect

Temporary closure and traffic management from 4 November to allow vegetation removal. Noise during night works from power tools and operatives.

Subsequent works will require occasional HGV deliveries, excavators and some construction noise during daytime hours.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

Additional information

Traffic management and a full signed diversion will be employed every night for the overnight closure of Whielden Street from 8pm every evening until 5am the next morning from Wednesday 4 November to Thursday 12 November 2026.

Bus services 1 and 1A will divert and will not serve stops on Whielden Street, Amersham during the hours of closure. Passengers are advised to use the closest stops on Gore Hill during these times.

Access for pedestrians along Whielden Street will be maintained at all times.

Where we will be working

Please contact us if you'd like a free copy of this document in large print, Braille, audio or 'easy read' format. You can also contact us for help and information in a different language.

Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 Helpdesk team. For more information, visit: www.hs2.org.uk/how-to-complain

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.
