Update: Western Utility Road (WUR) Works

HS2-SCS-26-2665

Location

Hampstead Road, Camden

Duration

26 October to 20 November 2026

What we are doing

We'll construct British Telecommunications (BT) chambers in the southbound cycle lane and footpath.

What to expect

Footpath and lane closures on Hampstead Road near Robert Street, Varndell Street and Cardington Street.

Temporary traffic lights in place to monitor congestion

Monitoring of our works to ensure we are working within approved noise limits.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

Additional information

These works are required in preparation for Mace Dragados' (MDjv) Western Utility Road programme, which will run parallel to Hampstead Road (within their site),

Where we will be working

From **26 October** we'll close Robert Street, the southbound lane of Hampstead Road below Cardington Street and the pedestrian crossing south of Robert Street (please see map below). Pedestrians will be diverted to the northbound footpath via a temporary crossing.

Please note that once we finish this phase, Robert Street will remain closed for the next phase of the works. We will keep you updated on exact dates.

Access to Regent's Park will be via Varndell Street. Access to Hampstead Road will be via William Road for southbound or Varndell Street for northbound.

We apologise for the inconvenience these works may cause.

Please contact us if you'd like a free copy of this document in large print, Braille, audio or 'easy read' format. You can also contact us for help and information in a different language.

Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 helpdesk team. For more information, visit: www.hs2.org.uk/how-to-complain

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.
