Additional information

On 16 and 17 November 2026, we will clear a drain on Badminton Close, near to the junction with Mandeville Road. This work forms part of our ongoing activities to maintain the sewer connection at the former site entrance on Mandeville Road.

We'll use a specialist lorry to clear the drain using high-pressure water. The lorry will be parked within the work area on Badminton Close while we carry out the work.

We will temporarily move the security huts located in the work area further along the close until the work is finished.

Where we will be working

The map below shows the location of this work.

Please contact us if you'd like a free copy of this document in large print, Braille, audio or 'easy read' format. You can also contact us for help and information in a different language.

Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 helpdesk team. For more information, visit: www.hs2.org.uk/how-to-complain

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.

For more information visit: www.hs2.org.uk/independent-commissioner
