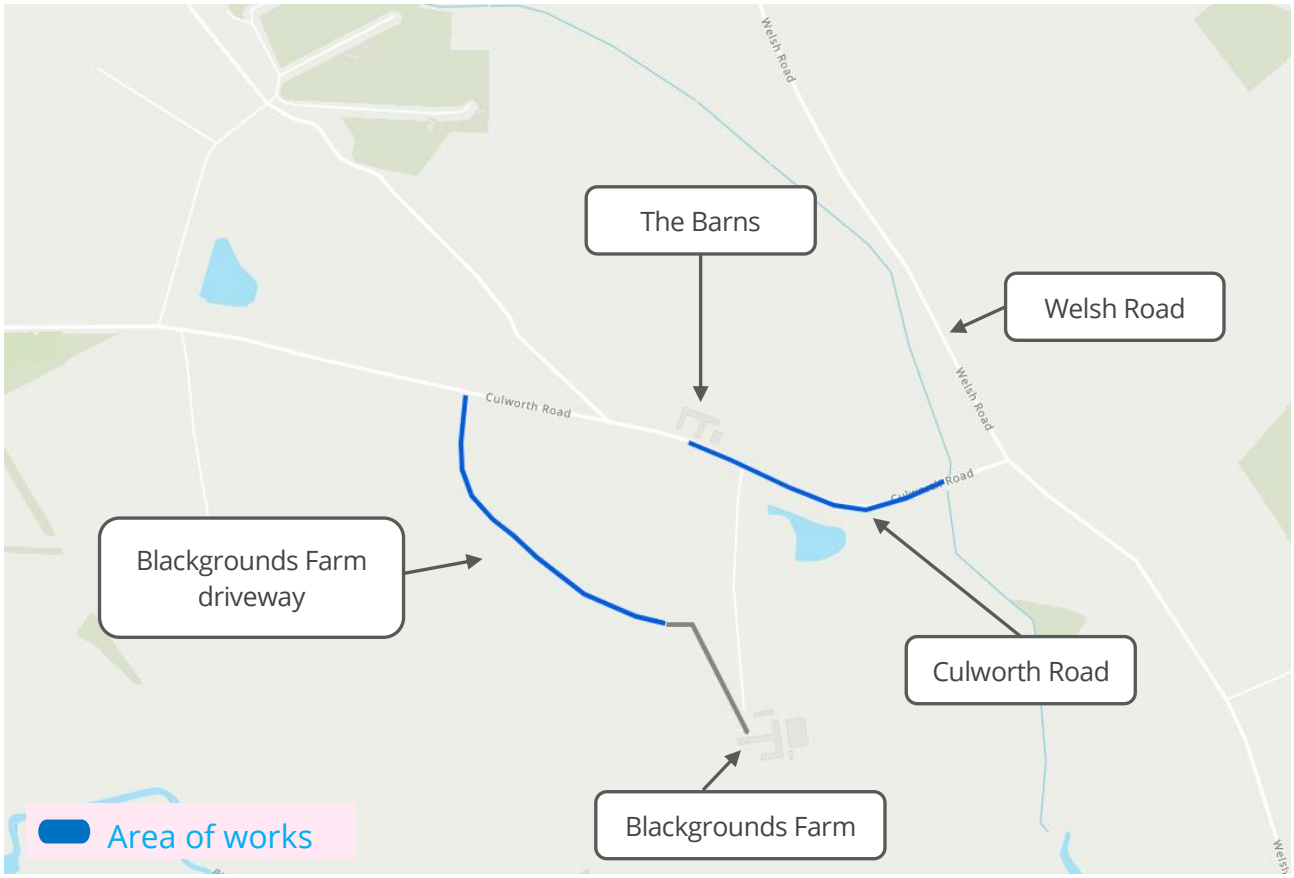
Location of the work taking place

Openreach will be working in the areas illustrated by the blue lines on the map below, access may be temporarily disrupted while they are working in the roadside verges or driveway verges. Access will be maintained, please take care if traveling past the works.



Further works by third parties

Openreach and Gigaclear have further work to do in the area over the coming months. They will be installing new cables and making connections for the new utility routes. These works are carried out and managed by the providers, and they will organise this work independently. Some of this work may be done overnight to reduce disruption.
