

Notice of two overnight closures in both directions of the A5 Hints Bypass from Weeford Junction to Mile Oak, Lichfield

HS2-BBV-26-2635

Location

A5 Hints Bypass between Weeford Junction and Mile Oak, Lichfield.

Duration

The A5 Hints Bypass will be closed overnight in both directions on **Friday 6 November** and **Saturday 7 November 2026**, from **9pm to 6am** each night.

What we are doing

As work progresses on the A5 Hints Bypass Overbridge, it is necessary to temporarily close the road to allow modifications to the traffic management arrangements. These changes are required to create sufficient space within the central reservation to facilitate upcoming drainage installation and barrier construction works.

What to expect

Low level of noise from our works and a fully signed diversion route during each closure.

Works are subject to consent.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:
