# UPDATED: Overnight closure of the A5 Hints Bypass in both directions

## HS2-BBV-26-2635

### Location

A5 Hints Bypass between Weeford Junction and Mile Oak, Lichfield.

### Duration

**Overnight closure:**

From 9pm on Tuesday 24 November until 6am Wednesday 25 November 2026.

### What we are doing

We have changed the dates of these overnight closures as part of a revised construction programme. The work we need to carry out remains the same. We will continue with planned changes to the traffic management layout to create space in the central reservation for future drainage and safety barrier works.

### What to expect

Low level noise from our works site.

A fully signed diversion route in place during each closure.
