SKANSKA COSTAIN STRABAG Working in partnership with HS2

Notice of 24/7 ground monitoring, Brent and Camden

HS2-SCS-26-2746

Location
London Borough of Brent and London Borough of Camden

Duration
24 hours a day, seven days a week.

What we are doing
We are monitoring ground movement at various locations in Brent and Camden as our tunnel boring machines pass beneath the area.

What to expect
You may see a few operatives using tripods and measuring rulers to check ground movement. Monitoring will take place during the day and at night.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

Additional information

Our tunnel boring machines (TBMs) dig the HS2 tunnel underground. These checks help us track any changes in ground levels as the machine passes beneath the area. This work is not noisy and we will remind our workers to be mindful of our neighbours.

We apologise for any inconvenience this work may cause.

The map below shows the current location of the TBMs.

Please contact us if you'd like a free copy of this document in large print, Braille, audio or 'easy read' format. You can also contact us for help and information in a different language.

Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 helpdesk team. For more information, visit: **www.hs2.org.uk/how-to-complain**

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.
