Additional information

We will be working in the locations below:

Finchley Road

We will close the northbound lane and bus lane, close to the Gym Group. There will be no left turn northbound onto Hilgrove Road from Finchley Road. Bus stops L, M and N will be suspended. The nearest alternative is bus stop A on Finchley Road.

Hilgrove Road

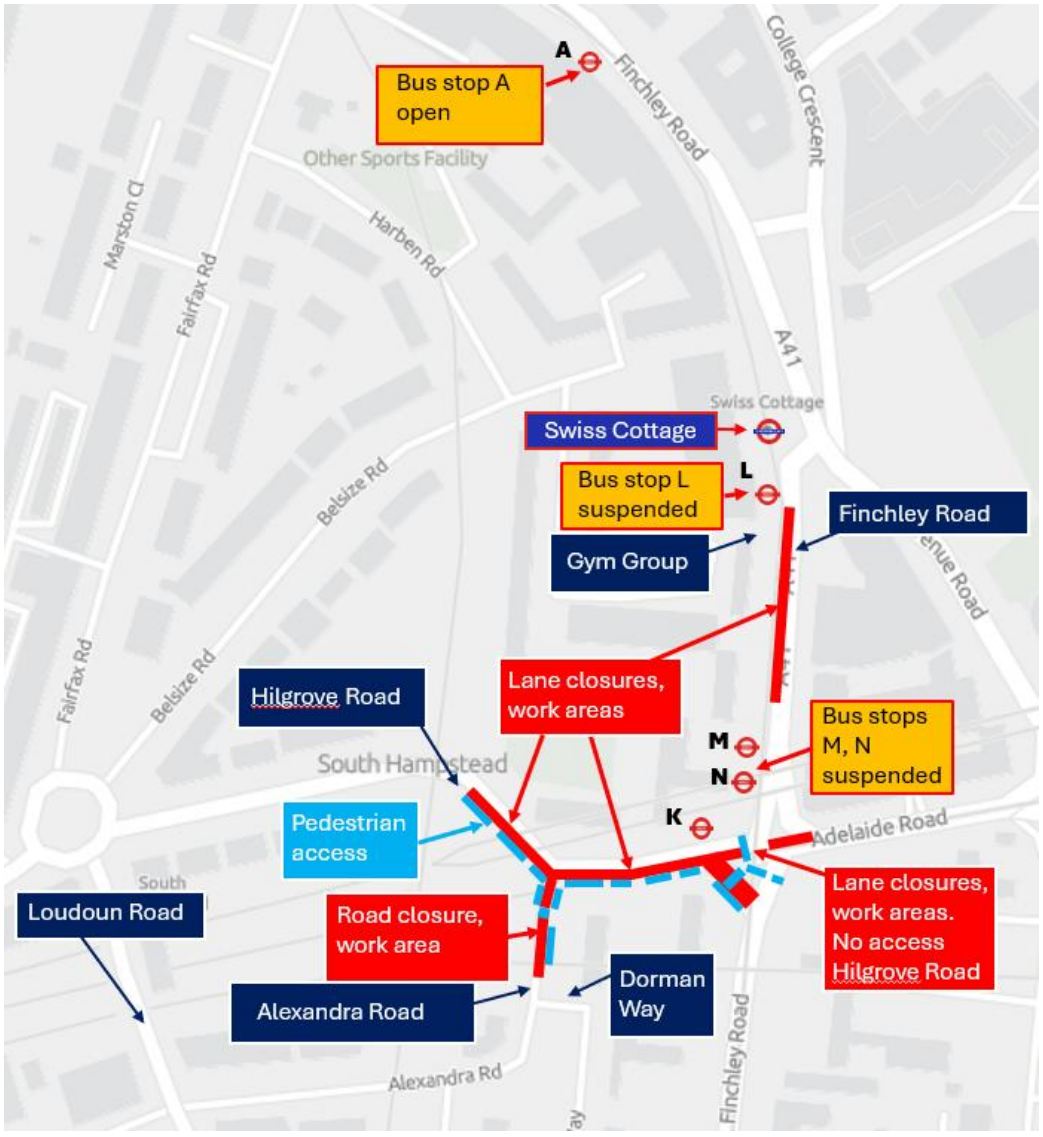

We will close the westbound lane. There will be no vehicle access to Alexandra Road from Hilgrove Road.

Alexandra Road

We will have a partial road closure at the top of Alexandra Road at the junction with Hilgrove Road. Vehicles will only be able to access from Loudoun Road. The entrance to Dorman Way will remain open.

Where we are working

The map below shows the work areas, approximate location of lane closures and the suspended bus stops.

This map shows the traffic diversions due to Alexandra Road partial closures

Works over Christmas

We will not be working on site from 24 December 2026 to 4 January 2027. The lane closures on Finchley Road and the road closure on Alexandra Road will remain in place. However, we will reopen the westbound lane on Hilgrove Road during this period and there will be two-way traffic.

We apologise for any inconvenience these works may cause.

Virtual one to ones

We are holding 20-minute virtual one to one sessions every second Tuesday between 4pm and 6pm. This is an opportunity to speak with our community engagement team about the works. You can book a session at **hs2.org.uk/events** or by scanning the QR code below with your smart phone camera. The sessions will take place on Microsoft Teams.

About our community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: https://www.groundwork.org.uk/hs2funds

Keep up to date with your local community website

To find out more about what's happening in your area and receive regular email updates, you can sign up on the HS2 website or by scanning QR code below.

Please contact us if you'd like a free copy of this document in large print, Braille, audio or 'easy read' format. You can also contact us for help and information in a different language.

Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 helpdesk team. For more information, visit: **www.hs2.org.uk/how-to-complain**

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.
