EKFB Working in partnership with HS2

Notice of traffic management, Claydon Road, Lower Boddington

HS2-EKFB-26-2762

Location
Claydon Road, Lower Boddington.

Duration
Monday 16 November 2026 to Friday 22 January 2027, weekdays from 8.30am to 5.30pm.

Please note that the traffic lights will be switched off when no activity is taking place on site over the Christmas period.

What we are doing
We are installing permanent fencing around the newly built drainage pond and adjacent area, to the southeast of Claydon Road.
To access the site safely with machinery and large vehicles will need to cross the public highway.

What to expect
Traffic lights will be manually controlled to allow vehicles to cross Claydon Road to access the work area as required.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

Please contact us if you'd like a free copy of this document in large print, Braille, audio or 'easy read' format. You can also contact us for help and information in a different language.

Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 Helpdesk team. For more information, visit: **www.hs2.org.uk/how-to-complain**

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.
